August 14 to 16, 2005
Memorial Auditorium, Stanford University

A Symposium on High Performance Chips
Sponsored by the IEEE Technical Committee on Microprocessors and Microcomputers

17

HotChips is made possible this year by the hard work and dedication of the following people:

Organizing Committee (OC):
Conference Chair, Pradeep Dubey, Intel Corporation
Conference Vice Chair, Yusuf Abdulghani, Apple Computer Inc.
Registration, Ravi Rajamani, Sun Microsystems
Sponsorship, Amr Zaky, Qualcomm
Local Arrangements: Food, Robert Lashley, Sun Microsystems
Local Arrangements: Facilities, Aaron Barker, Sun Microsystems
Advertising, Allen Baum, Intel
Webmaster, Galina Moskovkina, HP
Finance, Lily Jow, HP
Volunteer Coordinator, Randall Neff
Publications, Gordon Garb, GHI
Publicity, Donna Wilson, Donna Wilson & Associates
Gail Sachs, Telairity

Program Committee (PC):
PC Co-Chair, Alan Jay Smith, PhD, University of California at Berkeley
PC Co-Chair, John Sell, Microsoft Corporation
Forest Baskett, New Enterprise Associates
Howard Sachs, Telairity Semiconductor
Christos Kozyrakis , Stanford University
Pradeep Dubey, Intel
Rakesh Patel, Altera
John Nickolls, Nvidia
Mark Tremblay, Sun Microsystems
John Wawrzynek, University of California at Berkeley
Mitsuo Saito, Toshiba
Keith Dieffendorff, Apple
Teresa Meng, Stanford University
Tom Peterson, Nvidia
Chuck Moore, AMD
Kimming So, Broadcom

Steering Committee:
Alan Jay Smith, University of California at Berkeley
Allen Baum, Intel
Lily Jow, HP
John Mashey, Techviser
Howard Sachs, Telairity Semiconductor
Donald Alpert, Camelback Computer Architecture

Also thanks to our team of HotChips Volunteers!

Thanks for publications help to Pam, Adrian, and Mario of the Palo Alto Fedex Kinko's.
